WHY CRITICAL ILLNESS NEEDS PROTECTION

- 1 in 9 women will be diagnosed with breast cancer;
- 1 in 4 Canadians will have a heart attack;
- 1 in 5 Canadians will face some form of cancer before age 60;

THE COSTS OF ILLNESS ADD UP

Even with a public healthcare system, the costs of illness can quickly become out of control for a family. Inability to cover costs can lead to compromising on essential health care and a worsening of the illness.

CONSIDER THE COSTS YOU COULD FACE IF SICK

- Income lost because you can't work;
- Rehabilitative costs and lifestyle adjustments required for recovery;
- Travel and parking costs, which are not covered by any public programs;
- Private or semi-private hospital accommodation;
- Specialist fee and experimental treatment.

With Critical Illness coverage, you have an affordable, reliable plan in place that gives you the resources you need to manage illness without compromising on the security and prosperity of your family.

ARE YOU ELIGIBLE?

Only two requirements need to be met to qualify for Critical Illness Insurance:

- You are between the ages of 18 and 69 inclusive, and;
- You have a permanent Canadian address.

**If you can meet the above criteria:
YOUR ACCEPTANCE IS GUARANTEED!**
