## FINAL EXPENSE INSURANCE

## COVERAGE DETAILS

- Your acceptance is guaranteed!
- Permanent coverage to age 100;
- Tax-free benefits of up to \$50,000;
- No medical exam required;
- No fluid tests, no health questions;
- Included Accidental Death Protection pays four times your benefit.

## WHAT'S COVERED?

### BASIC BENEFIT

The Basic Benefit will be paid if the Insured person dies after two years of this policy, or dies from an accidental death as covered under the accidental death condition.

Benefits payable under a non-accidental death that occurs within the first two years of coverage will be limited to a refund of premiums paid.

### ACCIDENTAL DEATH BENEFIT

Up to age 100, any accidental death covered under this policy will be paid as four times the basic death benefit's value.

## THE RISKS OF DYING UNINSURED

We don't often like to think about funeral costs and final expenses. But if you don't think about them, your family will have to cover the bills when they should be mourning.

- Funeral costs in Canada can average up to \$10,000 or more for a ceremony and burial;
- End-of-life care can more than double or triple final costs;
- Debts left behind can impact inheritance and may lead to confusion and conflict for your family;
- A surviving spouse without coverage will have to support themselves without help.

Dying without life insurance coverage can leave your family without money to pay for funeral bills or debts.

If you have present or past health issues, if you've been declined insurance in the past - the Final Expense Plan by Specialty Life will get you the coverage you need.

## GUARANTEED PROTECTION HELPS WHEN OTHERS CAN'T

If you're worried that your health may prevent you from getting coverage, you can qualify for the Final Expense Plan, even if:

- You've had or currently suffer from a serious illness;
- You've been rejected for life insurance;
- You wish to avoid a medical exam for any reason;
- You've been told you're "uninsurable" for any reason.

## ARE YOU ELIGIBLE?

### ONLY TWO REQUIREMENTS NEED TO BE MET TO QUALIFY FOR THE FINAL EXPENSE PLAN

- You are between the ages of 18 and 74 inclusive;
- You have a permanent Canadian address.

If you can meet the above criteria.

**YOUR ACCEPTANCE IS GUARANTEED!**
