

## Are your clients' RRSPs protected if they become ill?

2 out of 5 of  
Canadians will be  
diagnosed with  
cancer in their  
lifetime

More than 80%  
survive cancer,  
however are in large  
amounts of financial  
debt

64% of Canadians  
have enough to last  
for 3 months

91% of cancer  
patients in Canada  
will suffer a loss of  
income or a rise in  
expenses

Clients in these situations are  
forced to use retirement  
funds in order to support their  
families.
